Module Name: Login Page & Registration
Test Case_ID:ST_02
Webpage URL:https://www.automationexercise.com//

- Scenario_ID:TC_01
  Scenario:Valid Registration
  Test Case Steps:
    1.Open registration page
    2.Enter valid details
    3.Click Signup

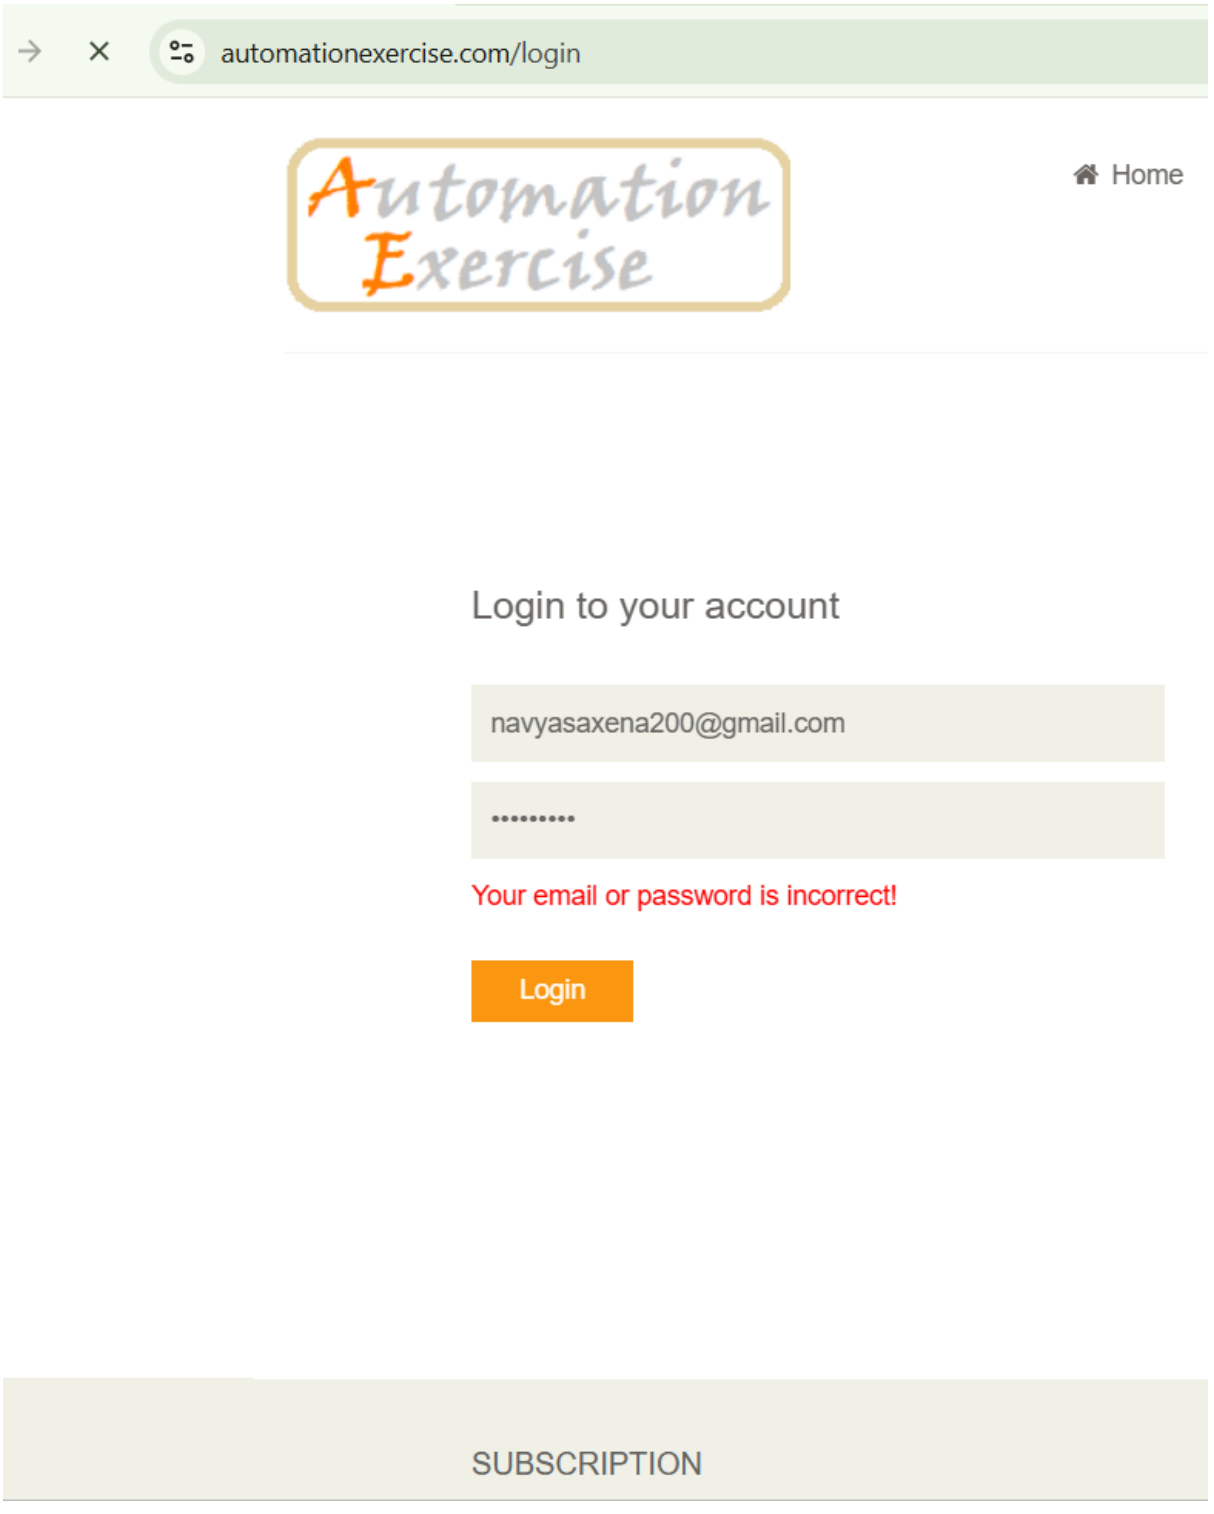

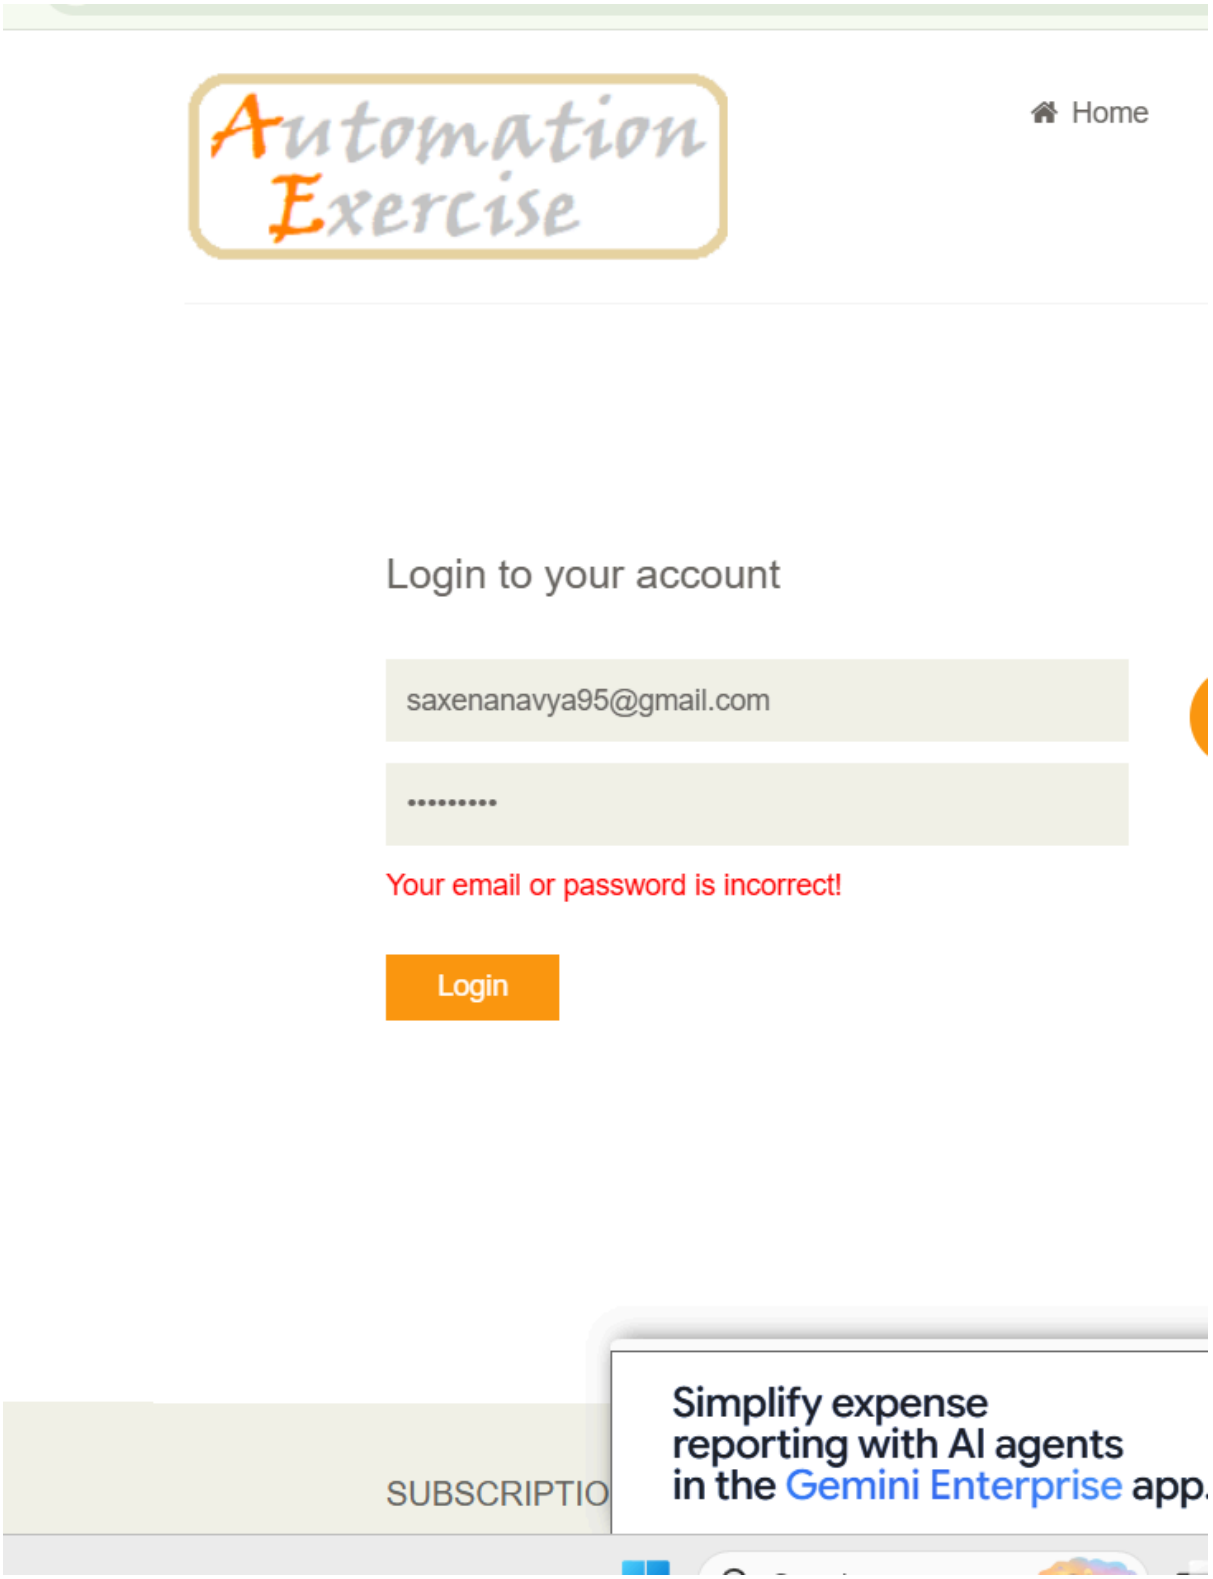

Scenario_ID:TC_02
Scenario:Invalid Registration
Test Case Steps:

1.Open registration page
2.Enter invalid email
3.Click Signup

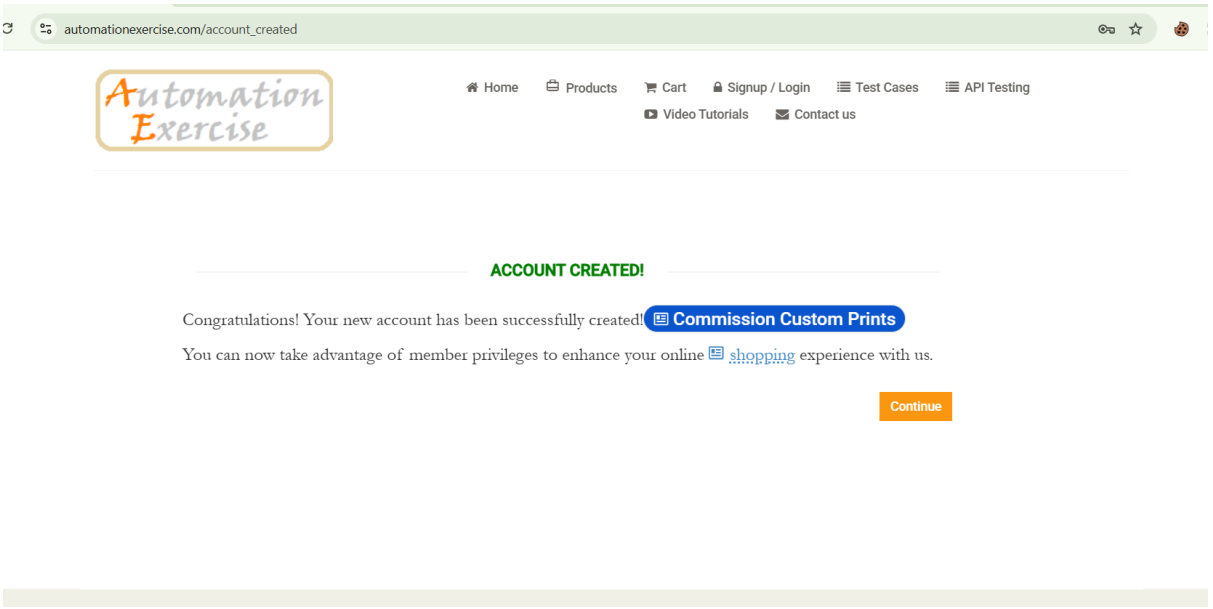

Scenario_ID:TC_03
Scenario:Existing Email Registration
Test Case Steps:
1.Enter already registered email
2.Click Signup

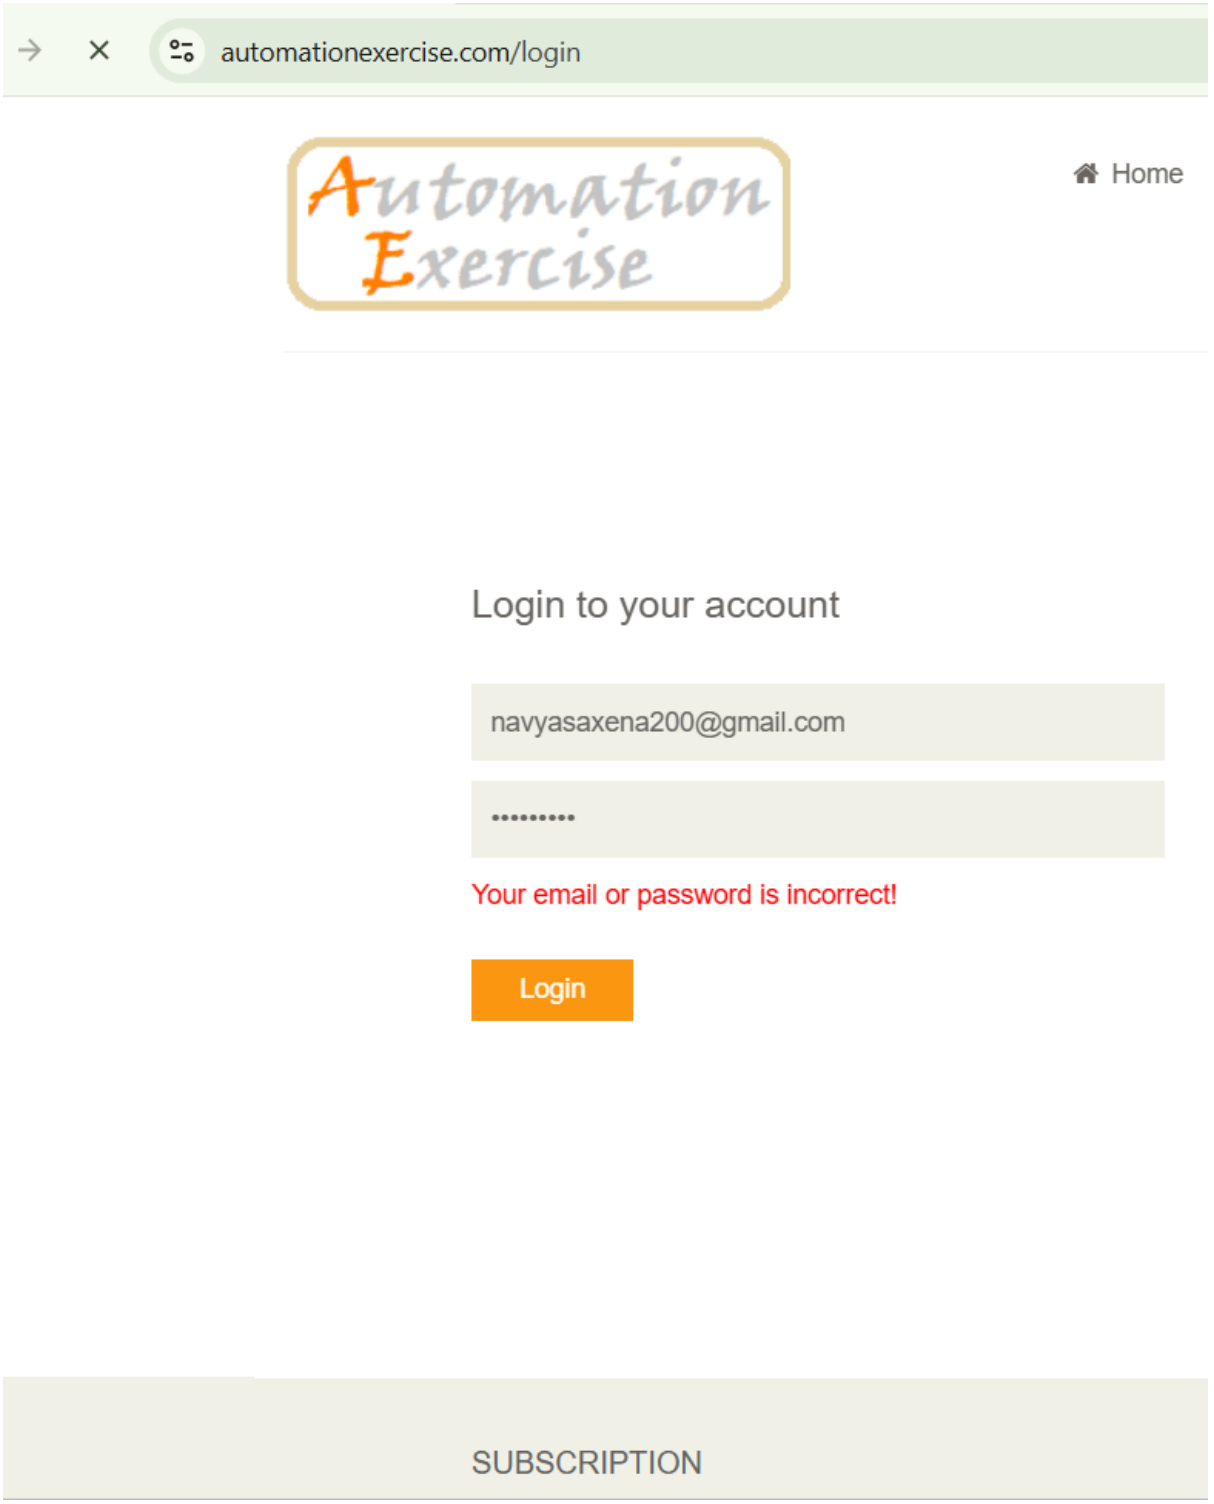

Scenario_ID:TC_04
Scenario:Valid Login
Test Case Steps:

1. Enter valid email and password
2. Click Login

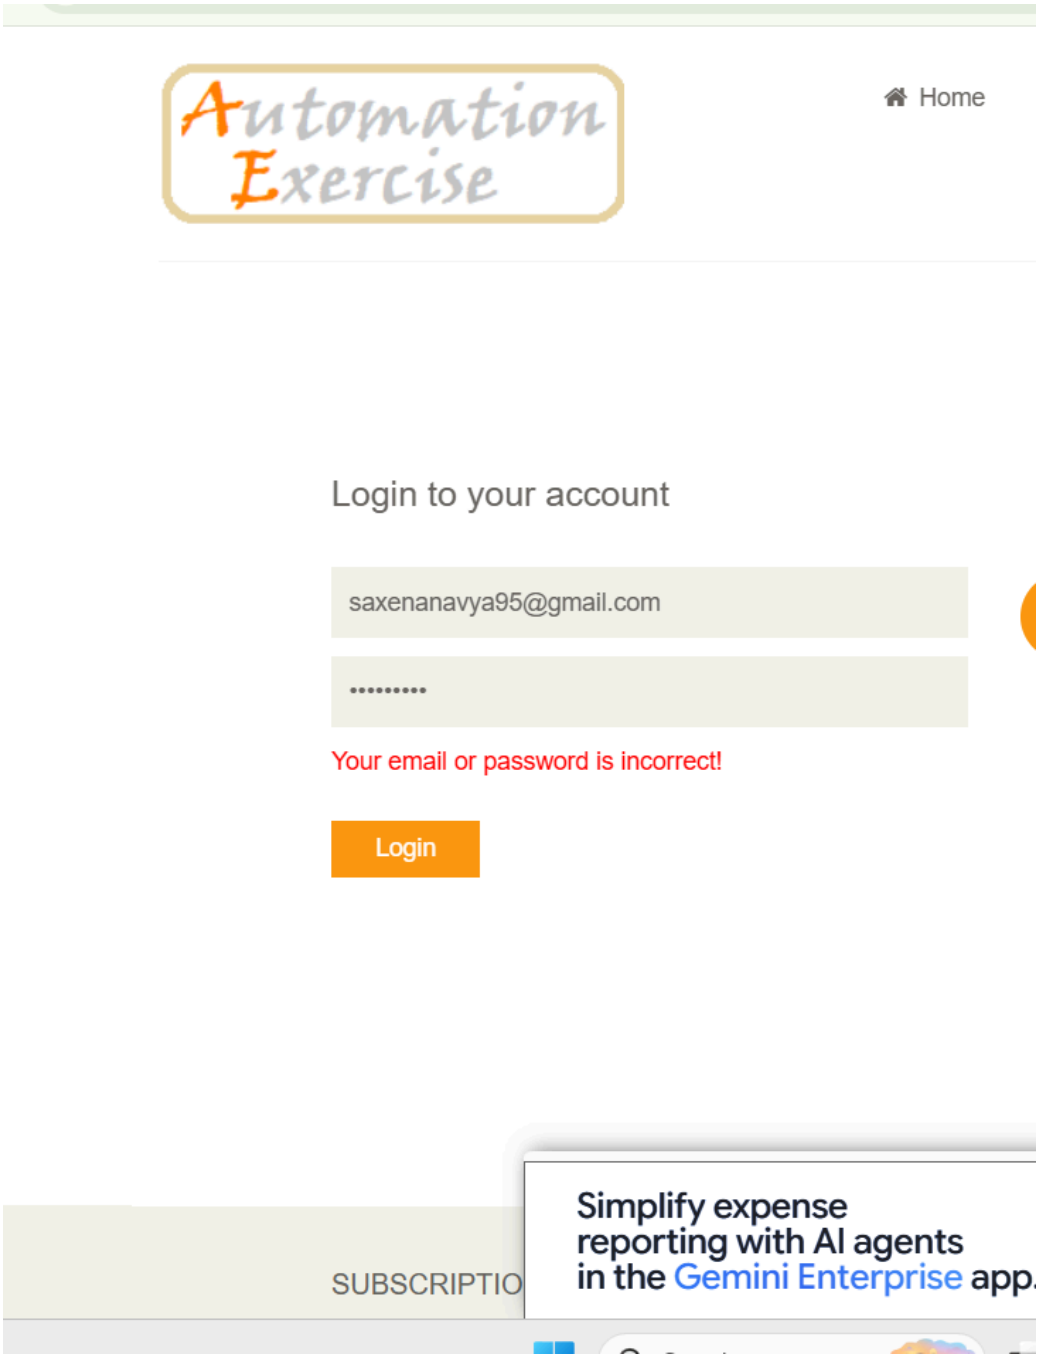

Scenario_ID:TC_05
Scenario:Invalid Email
Test Case Steps:

1. Enter valid email and invalid
2. password
3. Click Login

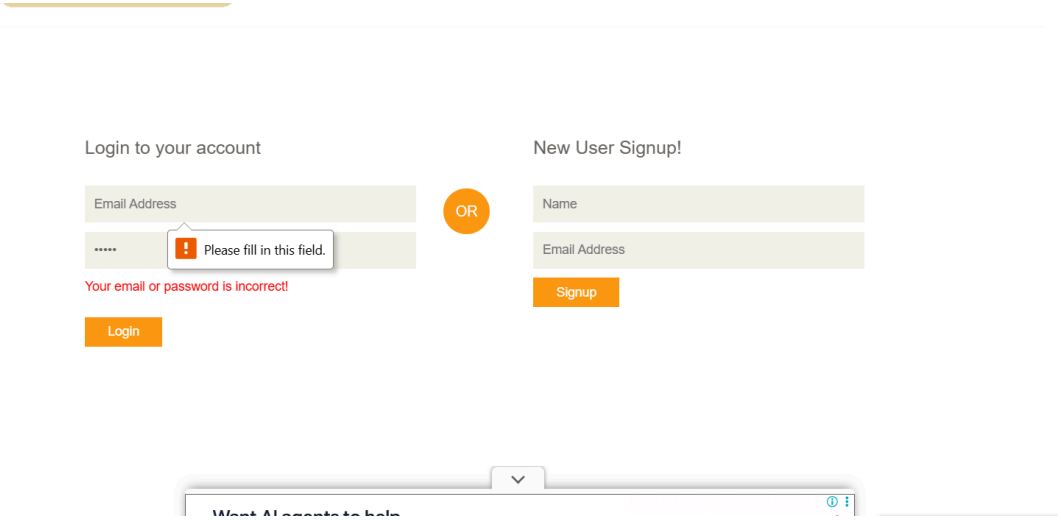

Scenario_ID:06
Scenario:Invalid Password
Test Case Steps:
1.Enter valid email and invalid
2.password

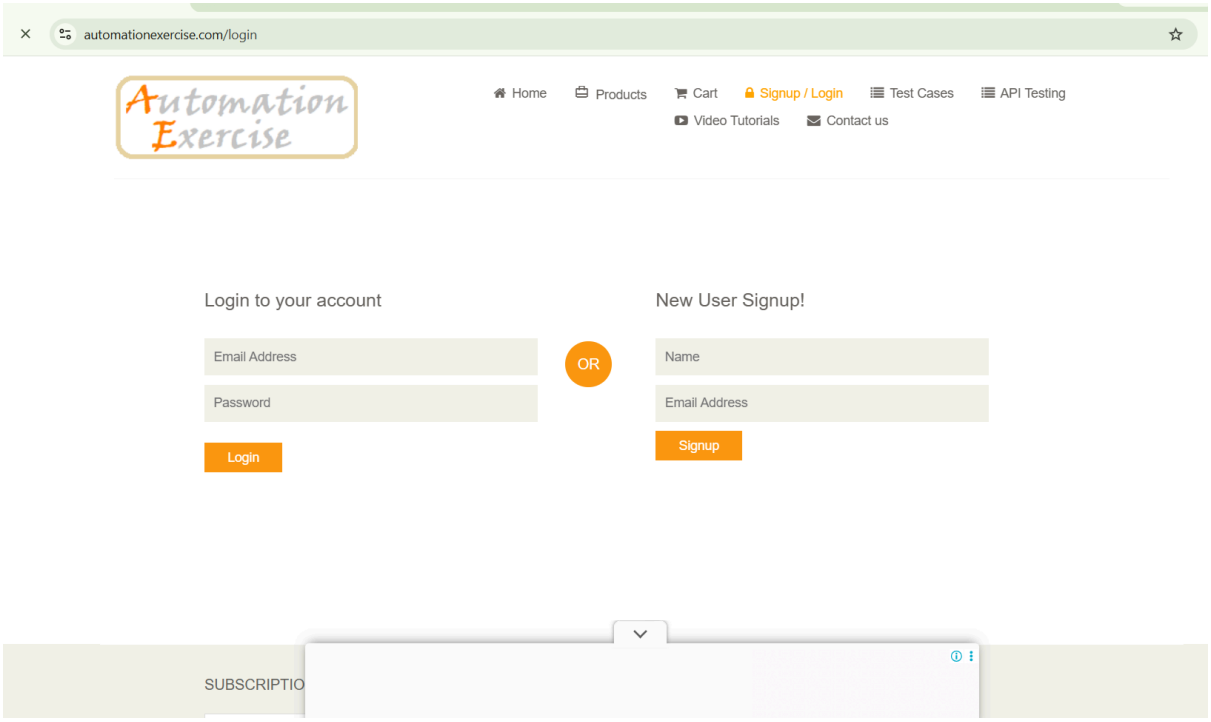

3.Click Login

Scenario_ID:07
Scenario:Blank username
Test Case Steps:
1.Leave email field blank
2.Click Login

Scenario_ID:08
Scenario:Logout
Test Case Steps:
Click Logout option after login

Summary:

Prepared a test plan and RTM for Login/Registration and executed 8 test cases with an execution summary.

Conclusion:

A test plan defines scope and approach, and the RTM ensures every requirement is covered by a test case.
