Module Name:Manual Test Execution
Test Case ID:ST-06
Webpage URL:https://www.automationexercise.com/

Scenario_ID:TC_01
Scenario:Open Website
Test Case Steps:
Open DemoBlaze website

Scenario_ID:TC_02
Scenario:View Products
Test Case Steps:
Observe available products

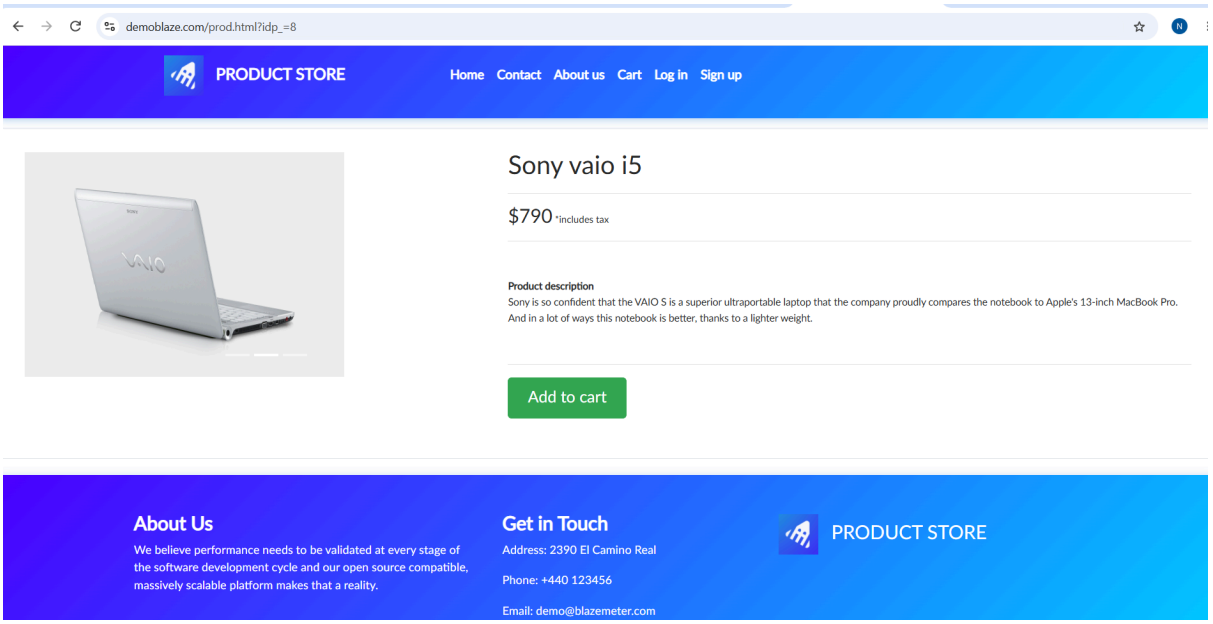

Scenario_ID:TC_03

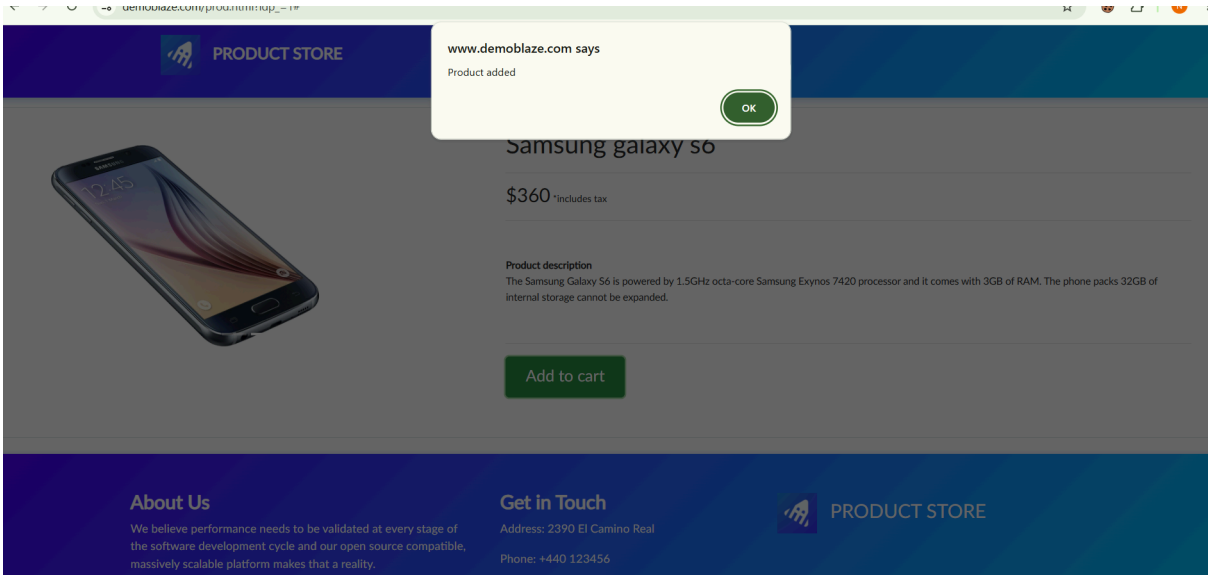

Scenario:Select Product

Test Case Steps:

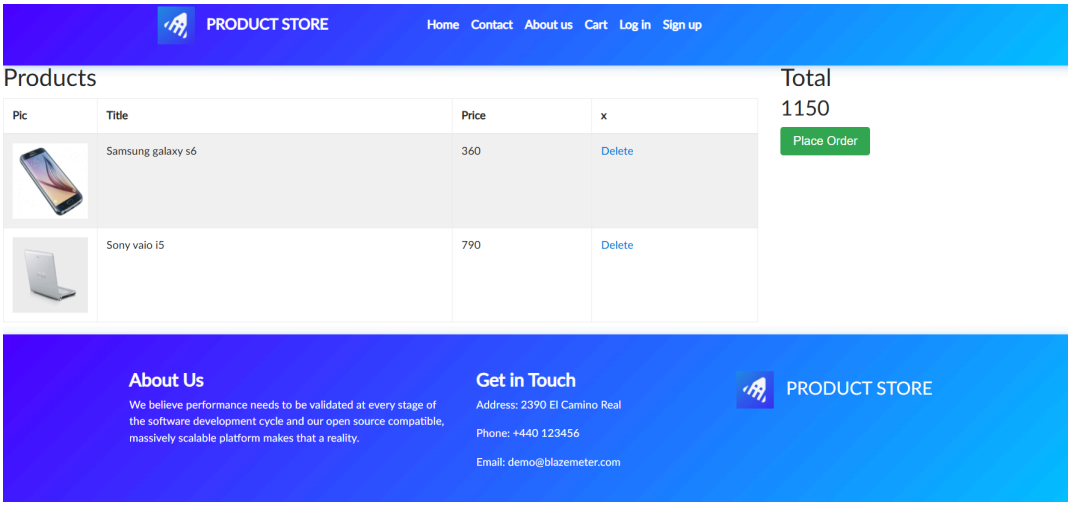

Click a product

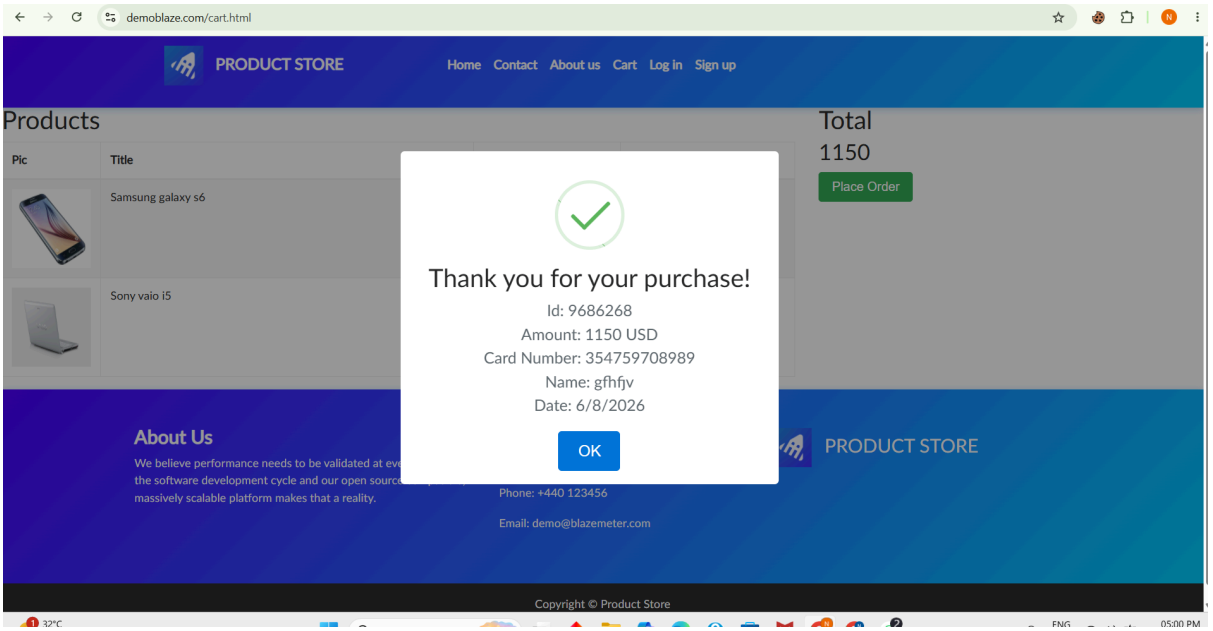

Scenario_ID:TC_04
Scenario:Add Product to cart
Test Case Steps:
Click Add to Cart

Scenario_ID:TC_05
Scenario:Verify Product in Cart
Test Case Steps:
Check cart items

Scenario_ID:TC_06
Scenario:Place Order
Test Case Steps:
Click Place Order

Summary: Executed the full DemoBlaze workflow from product selection to order submission, and recorded total, passed, failed, blocked and pass %.

Conclusion: Structured manual execution and metrics give a measurable view of application quality.
